

Open Call > Raízes com Arte

The Municipality of Águeda is promoting an Open Call within the scope of the “Raízes com Arte” project – project, which results from an application approved by the artistic intervention program “Dar Energia à Cultura” from E-Redes.

Recipients:

Visual arts artists, individually or collectively, aged 18 or over, may submit a proposal for this Open Call.

Theme:

The work developed is intended to be an artistic expression, in an allegory to the importance of water in environmental terms and to convey impactful messages about climate change and the preservation of local biodiversity.

Artist Responsibilities:

The artist will be responsible for painting 11 infrastructures in urban spaces (see Annex I) that convey the message of the proposed theme. The creative process will have to involve the participation of students from the Visual Arts course at Escola Secundária Marques de Castilho and CERCIAG users, in the implementation of the project.

Application Deadline: January 23 to February 23, 2024

Application Process:

- Send your CV and a portfolio with relevant previous work
- Describe your approach to the proposed theme
- Include a proposal for painting an infrastructure meeting the locations defined in Annex I
- Present experience in artistic training activities (Preferred)

Conditions:

Payment of a monetary value of up to €4,000.00

Accommodation in the Artistic Residencies + space for creation (location: Parque Municipal de Alta Vila, Águeda) + materials and paints

Duration: maximum of three weeks (to be defined) in March and/or April, 2024.

Note:

Proposals will be evaluated by the municipal services of the Culture and Sports Division, without compromising the effective acquisition of a proposal by the Municipality of Águeda.
